Dear Mr Sooklal,

**YOUR SUBMISSION TO THE NICHOLSON ENQUIRY AND THE FEES CHARGES I.R.O. CERTAIN
CRICKET SOUTH AFRICA MATTERS**

This office has been mandated by the Board of Directors of Cricket South Africa ("CSA") at a meeting held on the 21st January 2012 to communicate with you as more fully set out hereunder.

The Board has had sight of your written submission to the Committee of Enquiry chaired by retired Judge Nicholson.

The Board is alarmed at the contents of your submission and require you to give it a detailed explanation of the allegations contained in paragraph 4 and the basis of your suggestions in paragraph 6(b) thereof.

The Board would also like you to deal with what it perceives to be a possible breach of attorney client privilege during your oral submission to the Committee.

Finally, the Board would like you to explain why you charged professional fees in respect of the matters set out in your invoices dated 30 August 2011 and 14 October 2011 when the work was supposed to be done in your capacity as a member of the Board's Legal and Governance Committee.

I look forward to hearing from you as a matter of some urgency.

Regards,

PUME CANCA
